PRESIDENTIAL MUSINGS

One of the great things about Rotary is that we can help to rebuild our communities and bridge continents just by doing what we do already...just a little differently. Check out the announcement from RI's website:

“LifeLock, a leader in identify theft protection, has joined the Rotary affinity program. Rotarians, their family members, and friends will receive a 10% discount on a new annual subscription —now \$99 US (regularly \$110). Best of all, \$25 of the proceeds from the sale of each LifeLock membership will benefit Rotary’s US\$200 Million Challenge. To enroll, call 800-LIFELOCK (800-543-3562 or visit WWW.LIFELOCK.COM and use promo code R17.”

Another of the things we all do is eat. And on Sunday, August 15 at Potawatomi Park we can all do this together along with our friends, families and new friends we’ve not even met yet. **Take part in the Second Annual South Gateway Rotary Potawatomi Park Corn Roast to be held in Picnic Area #8 from 4:00-8:00 PM.** Tickets will be available soon and did you hear? We are **upgrading** the sandwich offering from hot dogs to smoked, pulled-pork courtesy of Travis and the folks at The Landing! Don’t miss it.

You might have heard it said that half of winning a battle involves just showing up. Being there with our heart and minds wholly directed to what’s going on in our presence, is a hugely important factor in whether we succeed. At the upcoming South Gateway Rotary meeting of July 29, we have two great reasons to show up. First a bran-[new member named Diana Hess wants to join us and help. Second, we have the

privilege of hearing from Bob Eady who risked his life on a World War II submarine to help protect the freedoms we and our children enjoy every day. Let’s pay these two individuals the respect they deserve by greeting them with a full house.

Kane Brolin

DUTY ROSTER

July 29, 2010

Greeter—Gary Pippinger
 Invocation—Steve Eslinger

ANNIVERSARY IN JULY

July 6—Don and Carol Napoli

BIRTHDAYS IN JULY

July 5—George May
