Week of  
Feb. 25  
2010

Notes from Emee

Last week's meeting was a bit unusual for two reasons: One, the scheduled speaker apparently forgot to put our meeting on his calendar, his loss. Two, we had no guests or visiting Rotarians. While it is always nice to have guests, speakers and visiting Rotarians, it was rather nice to be just our "small and mighty" South Gateway Rotary.

Speaking of "small and mighty," please remember our upcoming membership campaign. Letters are going out next week to prospective businesses in the area inviting them to attend lunch in March, April and May. Volunteers will be needed to follow up those who attend with a personal phone call.

See you on Thursday, hopefully with a speaker, guest and visiting Rotarians.
