**Notes from Emee**  
**June 10, 2010**

Wow, has this past week flown by. It must be the weather springing into summer. For those who missed last week, our club inducted our newest member and youngest, Travis the proprietor of The Landing. Make sure to make a point to sit with him and get to know him. He will surely have a lot to offer South Gateway.

Quick reminder that our Calendar year ends on June 30<sup>th</sup>, therefore should you like to contribute to The Foundation please do so as soon as possible. With this fiscal year ending a new one begins; dues are due the first Thursday, we meet in July.

Lastly, the final board meeting for the year will be tomorrow.  
See you for lunch,  
Emee
