Last Note from Emee

Fellow Rotarians; please make every effort to attend the last meeting of the month. Kane and his administration will be taking the baton to lead South Gateway for the new Rotary year. I know he is looking forward to his year. And I for one, look forward to his new energy and commitment to "Service above Self". We will be having a festive lunch. The program is "changing of the guard" and not in the current D.C. style. See you for lunch.
 Emee.
