 2010

Notes from Emee

Deep in the throw of winter...we persevere, unlike our neighbors in the Mid-Atlantic States who have had to put life on hold. There is something to be said for dealing with all the rough and tumble life has to offer. Hopefully we can translate our tough determination as mid-westerners to persevere and attract new members to our "small and mighty" club. Please remember to bring names and addresses of businesses you would like to have a letter of invitation sent to attend lunch on the last Thursday of the month in February, March and April.

As we have three teams within our club competing, at the moment Team A has the most prospects submitted at 45. Now, Teams B and C...rev it up. Letters to all will be mailed the week of February 15th.

Enjoy the snow while it lasts.

See you on the 11th.
 Emee

DUTY ROSTER

February 11, 2010
