FROM YOUR PRESIDENT

Fellow Rotarians,

The Board met Thursday after our regular meeting to discuss moving to a different location. This has nothing to do with The Landing for any thing they might have done or didn't do. I believe everyone can attest to the fact that The Landing's food and service has be tremendous. It's a question of dollars and cents. We can't continue to pay for those who don't show up and The Landing surely can't be making any money on us. With that in mind, we've decided to try Logans on Ireland Road. We will be in their room called "The Garage" and each person will ordering off the menu and be responsible for their own

bill. We will try them for two weeks then evaluate. The dates tentatively are January 19 and January 26. More will be discussed at next week's meeting, so please plan to attend.

Thanks, Jerry Hunt.
